**PLAINTIFFS' ASSENTED-TO MOTION FOR FURTHER CLARIFICATION OF THIS
COURT'S ORDER OF SEPTEMBER 23, 2022**

Plaintiffs Sierra Club, Inc. and Conservation Law Foundation, Inc., through their undersigned attorneys, move for further clarification of this Court's Order issued September 22, 2022¹ ("Order"), stating in support thereof as follows.

1. In its Order, the Court stated, in pertinent part, that on or before October 10, 2022, the parties shall each file a witness list, exhibit list, and proposed findings of fact and rulings of law.
2. In addition, Local Rule 83.14 requires exhibits to be pre-marked and provided to the clerk "[n]o later than one week before a case is set for trial." One week before trial, here, is also October 10th.
3. October 10th is a holiday and, therefore, the Court will be closed.

¹ The Order was dated September 23, 2022.

4. Accordingly, Plaintiffs seek clarification as to whether or not the Court intended the parties to be filing their witness lists, exhibit lists, and proposed findings of fact and rulings of law on October 10th or the following day on October 11th.

5. If the Court intended the filings and exhibits to be provided on October 10th, then Plaintiffs respectfully request a one-day extension to October 11th in order to file their documents and provide the clerk with their exhibits.

6. Counsel for Defendants assents to the relief requested herein.

WHEREFORE, Plaintiffs respectfully request that this Court clarify its September 23, 2022 Order and allow the parties to submit their witness lists, exhibit lists, proposed findings of fact and rulings of law, and their exhibits on October 11, 2022.

Date: October 5, 2022

Respectfully submitted,
